Important Things to Know

► You can access Kanopy from any device or computer, including many streaming products.

► **Stream** (watch using the internet) **10 titles** per month. Look for the number countdown to keep track of how many more titles you can watch in the month.

► Once you press play on a movie, you have **3 days** to view it as many times as you like without using another play credit.

► Play credits reset on the **1st of the month**.

► Once you have reached your 10 titles per month borrowing limit, you will not be able to play any more movies until the new month starts. On the 1st of the month, you will be given a fresh quota of 10 play credits again.
