IndyPL Homeschool Programs ♥ February 2024

Occurs at multiple branches.
Please contact your home branch with questions.
Note that many programs require registration either in-person or on the phone. See full calendar at indypl.org

HOMESCHOOL MEET-UP AT HAUGHVILLE

Age level: school-age kids, preschoolers
Haughville branch
Homeschool families are welcome to join us for an hour of reading, activities, and socializing with other homeschool families.

NATURE NAVIGATORS WITH CAMPTOWN

Age level: School-age kids
Wayne Branch, registration required
Learn camping basics with your young explorer! Join experts from Camptown to learn the essentials such as building shelters, wayfinding, and safety skills to take your outdoor adventures to the next level.

STEAM TEAM FOR HOMESCHOOL - Owls

Age level: school-age kids 6-12
West perry branch, registration required
Come explore with technology, science experiments, engineering, and more with steam team! Try your skills at racetrack building and work together to build the fastest track!

READING READY TIME

Age level: preschool
Online, registration required
Children 3-6 are invited to a virtual Library visit! Every week meet a different guest with different activities!

Check out our spring package programs on our website at indypl.org/calendar!
Upcoming programs throughout the system for ages 0-18
