Our Vision for the Library  
May 22, 2023

# A Welcoming and Inclusive Community Space

- A wide range of services for our diverse patrons.
- A place to learn, grow, and connect with others.

# A Resource Hub for Health and Well-Being

- Provide reliable information, support, and referrals.
- Promote healthy lifestyles.
- Empower patrons to take control of wellness.

# Employment Opportunities and Career Development

- Partner with local businesses and organizations to offer job training assistance, resume assistance, and networking.
- Career Center.

# Innovation and Technology

- Digital resources
- NorthStar Digital
- Coding
- Accessible Computer Workstations

# New Patrons

- Underserved communities—provide programs and services to meet their specific needs.
- Be a place where everyone feels valued.

# A Safe Work Environment

- Provide a secure, supportive workspace.
- Foster collaboration, creativity, and personal growth.
